ACTION: Ambassador KINGSTON BLAST 396

INFO: POLAD CINCLANT
POLAD CINCLANT

Reports from CINCLANT indicate delays in GOJ clearance for US Navy use port and air facilities. This seems inconsistent with Embtel 347 in which GOJ extends free entry and use of ports and airfields for forces in quarantine operation.

CINCLANT indicates urgent requirement for: (a) Flight and ship clearance procedures insuring prompt Jamaican approval US Navy requests for use ports and airfields (b) GOJ agreement that ports and airfields, including diversion of carrier aircraft, may be used on very short or no advance notice.

Reply soonest clarification whether GOJ notification reported Embtel 347 covers above requirements.
